PMZCLOUDV1	Zimi Cloud Connect

Cleaning Guide:

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic). Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack. Do not wash the cover plates in water over 60°C.

Trader Powermesh products must be installed by a qualified electrician. Zimi requires a compatible (Android, iOS) mobile device.
